

Sun Blade System 6000

A Computing Platform for All Seasons

T A B L E O F C O N T E N T S

| | |
|---|-----------|
| Sun's New Blade System 6000 | 3 |
| A computing platform for all seasons (er ... Applications) | 3 |
| Design Philosophy..... | 4 |
| Sun follows SIVA[®] | 4 |
| Standardization, Integration, Virtualization and Automation | 4 |
| A universal deployment platform | 5 |
| Targeted Markets | 6 |
| Solutions by Applications | 6 |
| Virtualization & Consolidation..... | 6 |
| OLTP/Business Computing & Databases | 6 |
| IT & Web Infrastructure | 6 |
| Web 2.0/Data Streaming Broadband | 6 |
| Application Development Consolidation..... | 6 |
| High Performance Computing | 6 |
| Market Positioning | 7 |
| Competitive Position | 9 |
| Caveats | 10 |
| Competitive Responses..... | 10 |
| TCO/ROI Analysis | 11 |
| Sun vs. HP vs. IBM vs. Dell vs. FJ/FSC | 13 |
| Blade System Architecture | 15 |
| Key features: | 15 |
| Pick of Processors..... | 15 |
| Industry Standard I/O | 16 |
| Power & Cooling..... | 16 |
| Data Management | 17 |
| Easy migration from existing Servers | 17 |
| Blade System 6000 Product | 18 |
| System Chassis Structure | 18 |
| Chassis Elements - Front | 18 |
| Chassis Elements - Rear | 19 |
| Blade Server Modules | 20 |
| Sun Blade Server Modules - Comparison | 20 |
| T6300 - Sun Processor based Blades..... | 21 |
| T6250 – Intel Processor based Blades | 21 |
| X6220 – AMD Processor based Blades | 22 |
| Blade Servers Thermionics | 22 |
| Storage | 22 |

| | |
|---|-----------|
| Performance Benchmarks – Sun Blades | 23 |
| World Records using Industry Standard Benchmarks..... | 23 |
| Go-to-Market Strategy | 23 |
| Distribution Channels Programs..... | 23 |
| Try & Buy Incentives..... | 23 |
| Future Proofing Customer’s Investment..... | 23 |
| Built to last - Scalability Built In..... | 24 |
| Sun Services..... | 24 |
| Current Promotions | 25 |
| Availability and Pricing..... | 25 |
| Blades benefit from processor innovations | 26 |
| Caveats..... | 26 |
| Sun Futures | 27 |
| Next Gen Processors | 27 |
| Blade Storage | 27 |
| Sun Clusters from Blade Systems..... | 29 |
| Integrated Solutions..... | 30 |
| Addressing Large & SMB Market Segments Targeting Vertical Markets..... | 31 |
| Targeting Vertical Markets | 32 |
| Pricing Structure | 32 |
| Pricing by Configuration | 32 |
| Pricing by Channel..... | 33 |
